The first annual assessment shall be adjusted according to the number of months and days remaining in the calendar year. Otherwise, the assessments shall be due on or before the 30th day of January of each year or as is otherwise set by the Board. At the time Declarant fails to fund any deficit that exists between the annual assessments and the expenses, all Lots shall be fully subject to the annual assessment. Failure of Declarant to meet its obligation to fund budget deficits or to pay assessments, if required, shall constitute a lien against the land Declarant owns in the aforementioned subdivision. Declarant's obligation to fund such deficit shall be cumulative of all years in which there is a Class B member, however, such that Declarant shall have the right to make advances to fund such deficit or make loans to the Association to fund

Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of Twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lien thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter coming due or from the lien thereof.

Every

purchaser or grantee of any interest in any portion of the Property, by acceptance of a deed or other conveyance thereof, thereby agrees that the provisions of these Covenants may be extended and renewed as provided in this section.

(b) If any of the covenants, conditions, restrictions, easements or other provisions of these Covenants shall be unlawful, void or violable for violation of the Rule Against Perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of Her Majesty Queen Elizabeth II, the Queen of England.

These Covenants may be amended at any time and from time to time by an agreement signed by at least seventy five (75%) percent of the Owners; provided, however, such amendment by the Owners shall not be effective unless also signed by the Declarant, if Declarant is the owner of any real property subject to these Covenants; and provided

further, however, no amendment affecting the Declarant's right to add additional property shall be effective unless also signed by the Declarant. No amendment to the provisions of these Covenants shall alter, modify, change or rescind any right, title, interest or privilege herein granted or accorded to the holder of any mortgage encumbering any Lot or the Common Area affected thereby unless such holder shall consent in writing thereto. Any such amendment shall not become effective until the instrument evidencing such change has been filed of record in the Office of the Clerk of the Superior Court of Walton County, Georgia. The written consent thereto of any mortgage holder affected thereby shall also be filed with such amendment. of Walton County, Georgia; and,

Whereas, the owner owns real property more particularly described on the plat attached as Exhibit A; and,

Whereas, Walton County (the County) and the owner agree that the health, safety, and welfare of citizens of the County require that the facilities be maintained on the property; and,

Whereas, the Comprehensive Land Development Ordinance of Walton County (the ordinance) requires that the facilities, as shown on the approved plans and specifications for the development (the plans), be maintained by the owner,

Now, therefore, in consideration of the forgoing premises, the parties agree to the following terms and conditions:

SECTION 1

The owner has constructed facilities in accordance with the plans and specifications for the development.

SECTION 2

The owner shall maintain the facilities in good working condition acceptable to the County, and shall have a qualified person inspect the facilities in accordance with the schedule of long term maintenance activities agreed hereto and attached as Exhibit B. For the purpose of this agreement, the owner is defined as

The Homeowners' Association for Willow Brook Subdivision, Inc.
as well as each subsequent individual lot owner in the subdivision known as
Willow Brook Subdivision
as recorded in the Superior Court of Walton County.

SECTION 3

The owner shall execute a Permanent Water Quality BMP Facilities and Access Easement Agreement, attached as Exhibit C, in favor of the County to allow the County, its authorized agents and employees, permission to enter upon the property, inspect, and observe the facilities as deemed necessary. Whenever possible, the County will provide notice prior to entry.

SECTION 4

In the event the owner fails to maintain the facilities, as shown on the plans, in good working order acceptable to the County, and in accordance with the maintenance schedule incorporated in this agreement, the County, with due notice, may enter the property and take whatever steps it deems necessary to make the facilities function as designed. This provision should not be construed to allow the County to erect any structure of a permanent nature on the property. It is expressly understood and agreed that the County is under no obligation to maintain or repair the facilities and this agreement should not be construed to impose any such obligation on the County.

SECTION 5

If, after an inspection, the condition of the facilities present an immediate danger to the public health, safety, or general welfare, the County may take such action as is necessary to protect the public and make the facilities safe. The County will notify the owner of the facilities of any violation, deficiency, or failure to comply with County ordinances. Upon failing to correct violations requiring maintenance work within fourteen (14) calendar days after notice thereof, the County may provide all necessary work to make the facilities function as designed.

In the event the County, pursuant to this the agreement, performs work of any nature, or expends any funds in the performance of said work for labor, use of equipment, supplies, material, and the like, the owner shall reimburse the County, upon demand within sixty (60) days of receipt thereof for all the costs incurred by the County. If not paid within the prescribed time period the county will secure a lien against the real property, or real properties, of said owner in the amount of such costs. Said lien, when filed in Walton County real estate records, will have the same status and priority as liens for ad valorem taxes. If such a lien is filed, the County may release portions of the affected property after the owner of that portion of the property pays its pro-rata share of the lien amount based upon the acreage to be released with such release amount to be determined by the Planning and Development Director.

The actions described in this section are in addition to, and not in lieu of, any and all legal remedies available to the County as a result of the owner's failure to maintain the facilities.

SECTION 6

It is the intent of this agreement to ensure the proper maintenance of facilities by the owner; provided, however, that this agreement should not be deemed to create or affect any additional liability of any party for damage alleged to result from or caused by storm water runoff.

SECTION 7

The owner, hereby, indemnifies and holds harmless the County, and its authorized agents and employees for any and all damages, accidents, casualties, occurrences, or claims which might arise or be asserted against the County for the construction, presence, existence, or maintenance of the facilities. In the event a claim is asserted against the County, its authorized agents or employees, the County will promptly notify the owner and the owner shall defend at its own expense any suit based on such claim. If any judgement or claims against the County, its authorized agents or employees is allowed, the owner shall pay for all costs and expenses in connection therewith.

SECTION 8

The owner shall record this agreement among the deed records of the Clerk of the Superior Court of Walton County. This agreement constitutes a covenant running with the land and is binding on the owner, its administrators, executors, heirs, assigns, and any other successors in interest.

SECTION 9

This agreement may be enforced by proceedings at law or in equity by or against the parties hereto and their respective successors in interest.

SECTION 10

Invalidation of any one the provisions of this agreement will in no way effect any other provisions and all other provisions will remain in full force and effect.
